2023

2024

The image features two stylized pencils. The pencil on the left is oriented vertically and has the year '2025' written in a black, cursive font on its light brown body. The pencil on the right is oriented diagonally and has the year '2026' written in the same black, cursive font. Both pencils have a yellow eraser at the top and a dark grey lead tip at the bottom. The background is white, and the pencils are set against a yellow and brown patterned backdrop.

2025

2026

2027

The image features two stylized pencils. The pencil on the left is oriented vertically and has the year '2027' written on its body. The pencil on the right is oriented diagonally and has the year '2028' written on its body. Both pencils have a yellow eraser at the top, a light brown body with a darker brown gradient, and a dark grey lead tip at the bottom. The background is white.

2028

2029

The image features two stylized pencils. The pencil on the left is oriented vertically and has the year '2029' written on its body. The pencil on the right is oriented diagonally and has the year '2030' written on its body. Both pencils have a yellow eraser at the top, a light brown body with a darker brown gradient, and a dark grey lead tip at the bottom. The background is white.
