Kitchen & Bath Products, Inc.

Bathroom Vanities

Ceramic, Glass Bowls & Stainless Steel Sinks

Headquartered in California, USA

About Dawn

Dawn Kitchen and Bath Products, Inc. is an American company that is established in San Francisco, California since 2003. Our factory has over 30 years of manufacturing experience in Stainless Steel Products, Solid Brass Faucets, Bathroom Decor, and Carb 2 Vanities. Dawn is proud to bring all their designs and innovations to Residential, Hospitality and many other market fields.

We are a family owned company, dedicated to serve The United States of America, Canada, Mexico, Central and South America.

Dawn products are designed to create a harmonious combination of pragmatism and elegance. Considering the kitchen and bathroom the soul of a home, Dawn brings function and aesthetics together to make the spaces comfortable and enjoyable. With modern facilities and innovative techniques, Dawn prides itself on its passion and dedication to delivering satisfaction to daily life.

Dawn Products

Dawn Vanities come in an array of styles to compliment your design preferences. Our vanities are shipped fully assembled with pre-cut plumbing holes. They are constructed of hardwood materials, with selected natural engineered stone and ceramic tops. Dawn vessel sinks are engraved, tempered finished, hand painted, and formed from glass or ceramic. Our vessel sinks compliment the latest trends in both modern and traditional bathrooms while still maintaining their unique attributes.

Dawn kitchen sinks are formed from 16, 18 or 20 gauge 304 type stainless steel reinforced with satin polished finish and sound absorption pads to ensure durability, hygiene and longevity. They are of smooth and contemporary design to compliment any home. Sink accessories, such as cutting boards, bottom grids, colanders and trays, maximize the performance and productivity of the work space.

Dawn faucets and showers are made of solid brass and plated with chrome or brushed nickel to provide reliability and durability. They come in classic and modern styles with various functions to suit and enhance the visual landscape of a home. Constructed with ceramic disc cartridges which are manufactured in Europe, by the same company that provides cartridges for other brand-name companies. The faucets are durable over the long run in a broader variety of water conditions. The showers are equipped with different spray settings and easy-to-clean spray nozzles to create extraordinary showering experience.

Dawn Shower Drains are of superior workmanship to ensure the highest quality and are available in various styles to suit the décor of your home. Crafted from 6-, 9-, 11-, 14-, or 18-gauge 304-type stainless steel, Dawn shower drains are durable and long lasting, and offer light to heavy duty solutions with excellent flow capacity. The satin polished finish guarantees smooth surfaces, safe drainage, and high hygiene. They are highly resistant to temperature variations and easy to install in almost any kind of construction project.

Dawn bath accessories come in both stainless steel and solid brass construction with different styles to create customized bathroom spaces with diverse tastes and styles. Designed to prevent wear and tear, they are easy and durable for everyday use and nearly maintenance free.

Dawn products are certified by CUPC to ensure all North American plumbing codes and the U.S. standards for strength and quality are met.

Corporate Manufacture, China

CLEANING AND CARE INSTRUCTIONS

Dawn® Vanity Cabinets

Wood naturally darkens with age or changes slightly in color due to light exposure and may go unnoticed from day to day. However, over an extended period of time it may become more noticeable depending on the amount of sunlight exposure.

Our warranty replacement products are not guaranteed to be an exact match. Any imperfections such as small surface splits, small dark pits or dark mineral streaks are natural and will not be considered as defects.

- Do regular routine cleaning rather than an occasional aggressive cleaning.
- Dust frequently with a soft cloth and occasionally use a wood cleaner that is not silicone based.
- Do not place in direct sunlight or near windows with direct sunlight exposure.
- Avoid extreme temperature changes and keep away from heater and air conditioning units.
- Do not allow liquids to remain on the woods surfaces for longer than necessary.
 - Liquid absorption will cause wood to warp, bubble, crack, and your finish may peel.

Dawn® Glass Sinks

Dawn® glass sinks are manufactured to our highest possible standards and regulations to ensure you receive the utmost quality. Dawn® tempered glass sinks are made to last due to the tempering process making them stronger than annealed glass, this does not mean they are indestructible but rather more durable and practical for everyday use. We have a few recommendations to make your sink last and maintain its sheen. Glass is subject to thermal stress when it experiences extreme hot or cold conditions suddenly. Glass needs time to be heated or cooled to extreme temperatures, and sudden changes can cause stress cracks to the product.

- Clean regularly with hot water and a mild detergent solution applied with a soft cloth or sponge to remove deposits.
- Rinse thoroughly and towel dry after every use to prevent water spots and mineral deposits.
 - Drying your sink afterwards will help prevent water spots.
 - Rain-X®, which is available at most automotive departments can be applied to keep you Dawn® sink water spot free.

Dawn® Ceramic Sinks

To keep your Dawn® products the center of attention, we suggest you follow these guidelines to maintain its quality and beautiful aesthetics. Deep clean once a week with an approved cleanser and a soft cloth or sponge rather than an occasional aggressive single cleaning.

Water quality can also affect your Dawn® sink making it appear dull or stained. Lime scale is notorious for absorbing liquids like coffee, tea and wine making the stained or tinged look. To remove lime scale build up on your Dawn® sink, use a lime scale cleaning agent such as CLR®. You can also soak the sink in 1 part white vinegar and 3 parts water to help loosen problematic areas making it much easier to sponge away debris. Make sure to use a non-abrasive pad/sponge with a ceramic cleaner.

Do's and Don'ts

- Clean regularly with hot water and a mild detergent solution applied with a soft cloth or sponge to remove deposits.
- Rinse thoroughly and towel dry after every use to prevent water spots and mineral deposits.
 - Drying your sink after each use will help prevent water spots and lime scale.
 - To remove lime scale or water spots, only use cleaners made specifically for that purpose. Apply cleaners to cleaning cloths, pads, or sponges first; do not apply directly onto the product and test in a small area.
- Do not allow any cleaning product to remain on your sink longer than necessary.
- Do not leave rubber patches, wet sponges, cloths, cleaning pads, or dishpans in the sink.
- Do not use coarse abrasive powders, metallic scourers such as steel wool or brushes with metal bristles.
- Do not allow liquid soap or other cleansers to dry on the surface of the sink.
- Do not use detergents or soaps that contain acid or that are not dissolvable.

- Clean regularly with hot water and a mild detergent solution applied with a soft cloth or sponge to remove deposits.
- Rinse thoroughly and towel dry after every use to prevent water spots and mineral deposits.
 - Drying your sink afterwards will help prevent water spots.
 - Rain-X®, which is available at most automotive departments can be applied to keep you Dawn® sink water spot free.

RETURN POLICY

You may only return new, uninstalled and unused items sold and fulfilled only by Dawn Kitchen & Bath Products, Inc.® for a full refund within 30 days of delivery. Items must be returned in their original packaging. Returns and exchanges after 30 days of purchase may be accepted with a 15% minimum restocking fee. Dawn will pay for return shipping only if the return is a result of a manufacturer defect or our fault. If you receive a faulty product and need to exchange it for the same product, please contact our dedicated customer service professionals via phone, fax or e-mail to request a replacement. If you would like to exchange your product for a different one, please first return the original product to Dawn® (27688 Industrial Blvd., Hayward, CA 94545) and then place a new order.

PARTIAL REFUNDS MAY BE GIVEN TO:

- Items returned after 30 days from the date of delivery.
- Any item not returned in the condition it was delivered.
- Any item that has obvious signs of use.

WARRANTY INFORMATION

All Dawn® products have a limited lifetime warranty unless otherwise noted. Dawn® products have been manufactured and tested to the highest quality standards by Dawn Kitchen & Bath Products, Inc. ("Dawn®"). Dawn® warranties are limited to Dawn® products purchased and installed in the United States. Original invoice number provided by a Dawn authorized dealer will be required as proof of purchase.

Limited Lifetime Warranty

Dawn® warrants all of its products to be free from manufacturing defects in material and workmanship during normal residential use. This warranty only extends to the original consumer and is non-transferable. If any defect is found in normal residential use, Dawn® will, at its own election, repair, provide a replacement part of product, or make appropriate adjustment at no charge, (labor charges and other incidental or consequential costs are not included). Damage to a product caused by accident, misuse, or abuse is NOT covered by this warranty. Improper care and cleaning will void the warranty. If Dawn® is unable to provide a replacement and a repair cannot be made, Dawn® may elect to refund the purchase price to the original consumer/purchaser in exchange for the return of the product.

(IMPORTANT: The original consumer/purchaser is responsible for inspecting products upon arrival. Any defective product should be reported immediately and should NOT be installed.)

One-Year Limited Warranty

Dawn® vanities, sinks, kitchen and bath accessories are warranted to be free of defects in material and workmanship for one year from date of purchase. Dawn® will, at its own election, repair, replace or make appropriate adjustment where Dawn® inspection discloses any such defects occurring in normal usage within one (1) year after purchase. Dawn® is not responsible for removal or installation costs. This warranty voids if the products have been moved from its original installation place. Defective parts or products will be replaced on availability basis. Warranty does not apply to any local building codes, make sure to check your local plumbing codes before installation. As wood ages a natural process causes the wood to darken, this is not a defect and if a replacement part is needed we cannot guarantee exact color or grain match.

Dawn® vanities are made from natural raw materials. Grain and color differences among wood, plant species, stone and minerals are naturally occurring and not considered a defect. Exposure to direct sunlight may cause color variation and/or surface damage and will not be covered under warranty. Tempered glass may have a green tint caused by the process of tempering glass. This feature is not considered a defect. Color variation in stone is a natural occurrence, so new or replacement pieces may not match display samples pieces.

DAWN® WARRANTIES DO NOT COVER, AND DAWN® DISCLAIMS ANY LIABILITY FOR:

- Conditions or damage NOT resulting from defects in material or workmanship.
- Conditions or damage resulting from:
 - Normal wear and tear, improper installation or maintenance, misuse, abuse, negligence, accident, moving (tipping) or alteration, scratches or handling damages.
 - Use of abrasive cleaning products or the use of the product in any manner contrary to the product instructions.
 - Conditions in the home such as excessive water pressure, water quality or corrosion.
- Labor, shipping or other costs for removal, installation, replacement or return of product for warranty service.
- Parts, accessories, connected materials or related products that are not manufactured by Dawn®.
- Imperfections such as checks (small surface splits), pitch pockets (small dark holes), grain or darker mineral streaks are natural and are not considered defects.

Dawn® reserves the right to inspect any Dawn® product reported to be defective prior to any repair or replacement. Repair and replacement costs EXCLUDE shipping, labor, and consequential expenses.

For warranty questions and/or claims contact Dawn® either through your Dealer, Plumbing Contractor, Home Center, E-retailer, or by contacting Dawn® directly at the contact information provided below. Proof of purchase (original sales receipt) and description of problem must be provided with all warranty claims.
