

This document will be useful to anyone searching for newspaper stories about Julia Creek. The main source of information were the Julia Creek Notes (JCN) in the *North Queensland Register* and *Cloncurry Advocate*. Virtually every JCN in those two newspapers has been documented – date and page number. Most have been transcribed, at least in part. The original photographs of these articles can be downloaded from the “Newspaper Cuttings” section of the website.

**Page**

Page number. If prefixed by “S” that means the article was in the supplement section of the NQR.

**Type**

A.....Article of interest to Julia Creek or Max Burns

Ad.....Advertisement

ATL.....Article by “Along the Line”, JR Chisholm, a respected writer.

BB.....“On the Track” Bill Bowyang; a poor writer of concocted stories (usually), most of which I have deleted.

CN.....Cloncurry Notes that have a connection with Julia Creek

JCN.....Julia Creek Notes

NN.....Nelia Notes

P.....Photo

**T?** – Whether the article has been transcribed. If so, it will appear in the PDF document *NQR Complete*.
